

Dear West Lakes Panther Families,

Thank you for continued support of our school. March is here and we have a few exciting events for our students as you will note below. However, I wanted to point out that Spring Break is this month and the last opportunity to take some time with your students to relax and reassure them of their awesome abilities prior to the start of the testing season. Discuss with them the importance of rest, proper nutrition, paying attention in class and asking for assistance for those things they might not understand. We are here for any assistance and to help eliminate any anxiety or stress prior to testing. Thanks again for all of your support.

**I am a West Lakes Prep Panther  
I am proud of my learning  
I am preparing for my future!  
#PantherPride**
