THE PANTHER PRESS

West Lakes Preparatory Academy

This Month's Magic!

West Lakes Prep has wrapped up the first quarter of the school year. The staff is extremely proud of the students that are working toward success! An assembly will be held to celebrate the hardworking students who earned their spot on the honor roll.

This month we are beginning Write Wednesday. Every Wednesday night students will receive a writing assignment from their ELA teacher. This initiative is to encourage students to engage in the writing process. Parents and guardians may proofread the assignment for punctuation, capitalization, and spelling, but please do not revise your child's work.

November is Family Engagement Month where the crucial role parents and families play in their children's education is celebrated. We thank you for being involved in the education process and motivating students to achieve success.
