THE PANTHER PRESS

West Lakes Preparatory Academy

This Month's Magic!

On behalf of Ms. Thomas, Ms. Ramon, and the West Lakes Preparatory staff, we hope everyone enjoyed a relaxing spring break! As we begin the month of April, we are beginning with our end of the year assessments. All grade levels will be completing various tests throughout the next two months. This being said, full-day attendance is extremely important to ensure students are testing with their teachers and in their usual setting.

This month will end quarter 3 and begin quarter 4. As of this quarter, all progress reports and report cards will only be available online. Be sure to check the student/parent portal regularly to stay up to date with school grades.

In April we recognize Autism Awareness and Military Children Month. Autism Awareness Month is celebrated to increase and advocate awareness to make a positive change. The Month of the Military Child gives special recognition to the importance role children play in contributing to the strength of military families.
